

567—210.6(455E) Evaluation of applications. The department will evaluate all eligible grant applications submitted in the manner prescribed in the application. In the selection of an applicant for funding, emphasis will be placed on the success and impact of the initiatives set forth in rule 567—210.5(455E) as documented in the application. Eligible applicants must be in compliance with all applicable state and federal statutes and rules.
